TECHNO-CLASSICA ESSEN 2020 will be postponed

An important base is the governmental order of the North Rhine Westphalian ministry for Labour, Health and Social Affairs from 10th March 2020 in conjunction with implementing major events. To prevent a spreading of the SARS-CoV-2 virus, cities are advised to prohibit events with more than 1000 visitors.

For us the health of our visitors, exhibitors and employers always has highest priority. With the sense of responsibility together with Messe Essen, relevant public health authorities, our exhibitors, associations, clubs and partners we mutually have decided that:

TECHNO-CLASSICA ESSEN 2020 will be postponed to
